

FORGING CONNECTION

A FREE One-Day Outdoor Men's Experience
Saturday, May 24, 2025 12:00 PM – 5:00 PM CT
Southern Kettle Moraine, WI

Come as you are. Leave more connected.

Designed for men who are new to Men's Work — men looking to take a powerful first step into deeper self-awareness, brotherhood, and purpose.

Set in the natural beauty of Southern Kettle Moraine, this experience is about more than just getting outside — it's about turning inward, showing up authentically, and discovering what's possible when men come together with openness and courage.

During this event, you'll:

- Connect with men in real, meaningful ways
- Reconnect with yourself and the natural world
- Share and Explore your reality through honest conversation
- Have fun, challenge yourself, and feel fully alive

This is Men's Work — down-to-earth, heart-centered, and life-affirming.
